Wrong Way

Sublime

Annie's 12 years old
In two more she'll be a whore
Nobody ever told her
It's the wrong way
Don't be afraid
For your family get paid
With the quickness you'll get laid

Baby, it's the wrong way
Don't be afraid, it's a art to live
I'm gonna make it hard to live
[Incomprehensible][Incomprehensible]
