

# Heartaches By The Number

George Jones

Heartache number one was when you left me  
I never knew that I could hurt this way  
Heartache number two was when you come back again  
You came back and never meant to stay Now I've got heartaches by the numbers  
Troubles by the score  
Everyday you love me less  
Each day I love you more Now I've got heartaches by the numbers  
A love that I can't win  
But the day that I stop countin'  
That's the day my world will end Heartache number three was when you called me  
And told me you were coming home to stay  
With hoping heart I waited for your knock on the door  
I waited but you must have lost your way Now I've got heartaches by the numbers  
Troubles by the score  
Everyday you love me less  
Each day I love you more Now I've got heartaches by the numbers  
A love that I can't win  
But the day that I stop countin'  
That's the day my world will end Oh, the day that I stop counting  
That's the day my world will end One line in reservation, is this
