

# Pain And Sorrow

Joe Bonamassa

Sparkle as the tears come  
They glitter as they fall  
You sacrifice your love  
For the wonder of it all  
But I will, and you won't  
And I deal, and you don't, yeah

[Chorus]

Livin' on pain and sorrow  
Until you find another way  
Livin' on pain and sorrow  
Until I find another way

Where's your silver lining?  
Where's your long lost friend?

The emptiness is shining  
From somewhere deep within  
But I will, and you won't  
And I deal, and you don't yeah

[Chorus x2]

No I... go on  
It's your life baby  
'Til you find another way  
Go on... oh yeah

Pain and sorrow  
Pain and sorrow  
Pain and sorrow  
Find another way
