Horse and Rider

Steve Miller Band

Like a horse and rider (Like a horse and rider)
Like a midnight flyer (Like a midnight flyer)
I'm coming to you, coming to you
And there's nothing pretty baby that I wouldn't rather doLook outside your window, look into the night
Hold on to your heart now darling, I'll be there in the morning lightLike a horse and rider (Like a horse and rider)
Like a midnight flyer (Like a midnight flyer)
I'm coming to you, coming to you
And there's nothing pretty baby that I wouldn't rather doLook outside your window, look into the night
Hold on to your heart now darling, I'll be there in the morning lightLike a horse and riderLike a horse and rider (Like a horse and rider)
Like a horse and rider (Like a midnight flyer)
Like a midnight flyer
Like a midnight flyer
