

Who Wants to Live Forever

Dune

There's no time for us
There's no place for us
What is this thing that builds our dreams
Yet slips away from us? Who wants to live forever
Who wants to live forever, ooh There's no chance for us
It's all decided for us
This world has only one sweet moment
Set aside for us Who wants to live forever
Who wants to live forever, ooh And touch my tears with your lips
Touch my world with your fingertips
And we can have forever
And we can love forever, forever is our today Who wants to live forever
Who wants to live forever, ooh Who waits forever anyway
