

# Forever and Always

## Twelve24

Feels like I runnin' round in circles, nowhere to run, nowhere to hide.

Broken-hearted and I'm searching, never thought I'd hear You say,

"My life is fallin' to pieces with no way out. Come and save me cause my time is runnin' out!"

Then I hear something calling and reaching down, that's when I hear You say, "Forever & Always."

Forever and Always

Forever and Always

Forever and Always

I will love you forever and always!!

...

Like waves in the ocean, lost in the motion. Days go by in the blink of an eye, tell me what I got to do to make You notice.

Cause my faith seems weak and I just can't see how this all has meaning.

Kinda hard to ignore this pain that I feel if it has no reason.

I need You more than ever now if I let go I know I'll never make it out.

Trusting You got me safe in Your arms and I know You won't drop me.

I'm tired of runnin. I am so sick and tired of pushing You out.

Without You man I ain't got nothing and forever and always I know You hold me down.

Feels like I runnin' round in circles, nowhere to run, nowhere to hide.

Broken-hearted and I'm searching, never thought I'd hear You say,

"My life is fallin' to pieces with no way out. Come and save me cause my time is runnin' out!"

Then I hear something calling and reaching down, that's when I hear You say, "Forever & Always."

Forever and Always

Forever and Always

Forever and Always

I will love you forever and always!!

...

You were all that I needed. Just when I stopped believing that's when You said, "Forever and Always."

Forever and Always

Forever and Always

Forever and Always

I will love you forever and always!!

Forever and...

Forever and...

Woahhh

You were all that I needed. Just when I stopped believing that's when You said, "Forever and Always."

Forever and Always
