Computerized

Ibojima

eyes without life
hypnotizing black stars
brains without bodies
artificial intelligencea world cold as ice
my world
a world cold as ice
a world COMPUTERIZEDwe are a part of
the seductive evilness
senseless creatures
given birth by hatea world cold as ice
my world
a world cold as ice
a world COMPUTERIZEDhail the executioners of the new empire
hail the bringers of the lawa world cold as ice
my world
a world cold as ice
a world COMPUTERIZEDanimal instincts
the motive power
transformed into
the ultimate warmachine
join or die
your destiny lies in our hands
from the first beginning
we have been the true rulers of the earth
