

Roman Sky

Avenged Sevenfold

As the embers rose through the Roman sky
Tell me were you calm when they took your life? Just before you go, tell us how the heavens flow
Weightless evermore, as you walk beyond that door
Shine forever true
Shared with us the world well before your time
Though they took your voice words forever shine Just before you go, tell us how the heavens flow
Weightless evermore, as you walk beyond that door
Shine forever true As they spoke your fate a fearless man replied
"As you will sentence me, you fear is beyond mine"
