

Fly Me To The Moon

Platina Jazz

talking

I didn't like it out there.
I want to be out here with you.
You want to fly again?
Fly me to the moon
Let me, swing among the stars
Let me see what spring is like on
Jupiter, and Mars
In other words
Take my hand
In other words
Baby, kiss me
Fill my heart with song
and let me sing forever more
you are all I long for
all I worship. And I adore
In other words. Please be true
In other words. I love you

talking

You wanna be my crew on this flight?
And we got a co-pilot here tonight.
(insert name) ladies and gentlemen.

solo break

Fly me to the moon
and let me sing among the stars
let me see what spring is like on
Jupiter, and Mars.
In other words, hold my hand (thank you)
In other words, darling kiss me
Fill my heart with song
and let me sing forever more
(you know what I'm listening to)
You are all I worship.
All I wish for and I adore
In other words, please be true
(In other words)
In other words
I love you.
