

# It's the Way You Make Me Feel

## Steps

It's the things that you do  
So physical  
It's the things that you say  
So flammable You know I can't resist  
Boy it's such a shame  
Do you belong to another?  
I don't wanna hurt nobody  
But my heart just can't hold back It's the way you make me feel  
The way that you make me feel  
Spinnin' my world around Tell me, how can I walk away?  
I don't care what they say  
I'm loving you anyway  
It's the way you make me feel I'm goin' to make you mine  
It's not impossible  
Got to let you know  
I'm irresistible Baby can't you see?  
You're the one for me  
But you belong to another  
I don't wanna hurt nobody  
But my heart just can't hold back It's the way you make me feel  
The way that you make me feel  
Spinnin' my world around Tell me, how can I walk away?  
I don't care what they say  
I'm loving you anyway  
It's the way you make me feel Make me feel  
Ooh, make me feel, make me feel When I look into your eyes  
Every time you smile at me  
Oh, I go weak inside  
Baby I just can't hide my love It's the way you make me feel  
The way that you make me feel  
Spinnin' my world around Tell me, how can I walk away?  
I don't care what they say  
I'm loving you anyway  
It's the way you make me feel Ooh, make me feel, make me feel  
Tell me, how can I walk away?  
I don't care what they say  
I'm loving you anyway It's the way you make me feel
