

Wait!

Kid Cudi

Wait
Momma told me wait
I can not relate
Eat what's on your plate
Fill yourself with hate
Take her on a date
Fill yourself with hate
Take it on a date
Momma told me wait
Momma told me wait
Momma told me wait
Eat what's on your plate
Momma told me wait
Momma told me wait
I can not relate
Eat what's on your plate
Fill yourself with hate
Give yourself a taste
Fucking on the first date
Sucking on the first date Fill yourself with hate
Shit!
Did you hear that?, did you fucking hear that?
