

# Straight for the Heart (2018 Remaster)

## Whitesnake

I'm coming 'round to see you  
Kicking down your door  
I've got to tell you girl  
I really can't take no more 'Cause I been hearing about you  
Everybody says you're front page news  
Laying it down, all around the town  
Giving all the boys the blues Stand and deliver in the name of love  
I'm coming after you  
I'll tell you what I'm gonna do, woah I'm going straight for the heart  
Gonna drive you crazy  
Straight for the heart  
Gonna drive you insane  
I never loved a woman  
The way that I love you  
I can't escape the feeling  
You don't know what you're putting me through Stand and deliver in the name of love  
My heart is in your hand  
So try to understand  
Straight for the heart Straight for the heart  
Gonna drive you crazy  
Going straight for the heart  
Gonna drive you insane You got the love I dream of  
The kind that costs so much  
Just cover me with kisses, baby  
Surrender to my touch  
Stand and deliver in the name of love  
My heart is in your hand  
Try to understand  
I'm coming after you  
I'll tell you what I'm gonna do, woah Going straight for the heart  
Gonna drive you crazy  
Straight for the heart  
Gonna drive you insane Straight for the heart  
Gonna drive you crazy  
Straight for the heart  
Gonna drive you insane Straight for the heart  
Gonna drive you crazy  
Gonna drive you insane
