Two Brown Eyes

Jill Barber

Two brown eyes
Two brown eyes
Two brown eyes
Are looking out for youAnd arms open wide
Arms open wide
Waiting to close
With you insideAnd tired feet
Tired feet
Tired feet
Will bring you back to meTwo brown eyes
Two brown eyes
Two brown eyes
Are looking out for youAnd salty tears
Salty tears
Salty tears
Pour out of these two brown eyesThey pour out
Of these two brown eyes
