You're just a booty club playa

(A break yourself pimp)

(Ol' sucka-ass self)

You're just a booty club playa

(A break yourself pimp)

(Ol' sucka-ass self)

When I hit the GC, my money buckled [Incomprehensible]

These hoes shakin' they ass, but they ain't shakin' it for free

Lookin' dead at me, finna get me for what I got

Tattoo on the ass, got my tilly core hot

Now I'm almost out the door, one hour left before they close

Shawty went upstairs, freshened up and changed her clothes

Smellin' good, lil' Shawty [Incomprehensible]

"Can you lend a couple hundred to your little 'cuz"

And he did, so its on, DJ play my favorite song

Shake 'em off, she shook 'em off, I broke her off

Put the money in her thong

All night long these nigga lookin' at me like I'm wrong

Don't where your playa partner, do dis thang 'til the money gone

You're just a booty club playa

(A break yourself pimp)

A hit the club, spend the dub

(Ol' sucka-ass self)

You're just a booty club playa

(A break yourself pimp)

A hit the club, spend the dub

(Ol' sucka-ass self)

You're just a booty club playa

(Ol' sucka-ass self)

(Ol' sucka-ass self)  
It's Friday night, so what the hell is their to do?  
I guess I'll hit club niggas and go and get a drank or two  
And who do I see at the end of the bar?  
It's that booty club playa, the same one without no car  
Spendin' his mad little ends on some ass and his friends  
And now the night begins as I hit the gentle mens  
And then after then, I'm a go and head over to magic city  
Where I can get slizzard some mo, and see alot mo titties  
And bitties actin' shitty for somethin' they ain't got  
So look here Shawty, it ain't no need you gettin' hot  
For as I take another shot, up on them rocks  
  
Now let me see dat thang, as I proceed to blow the spot  
You're just a booty club playa  
(A break yourself pimp)  
A hit the club, spend the dub  
(Ol' sucka-ass self)  
You're just a booty club playa  
(A break yourself pimp)  
A hit the club, spend the dub  
(Ol' sucka-ass self)  
You're just a booty club playa  
(A break yourself pimp)  
A hit the club, spend the dub  
(Ol' sucka-ass self)  
You're just a booty club playa  
(A break yourself pimp)  
A hit the club, spend the dub  
(Ol' sucka-ass self)  
My fare lookin' shawt, done spent all my change  
Ain't even got .35 to call a cab man  
Nigga I'm big pistol, drank another drank of win on the dance wit cha  
Shawty really, want me to come home wit her  
Chargin' five hundred, but I ain't got it to give her  
Put my paper down, cut her up like a swisher  
Damn, I'm that club bandit, nigga they call me mister  
That nigga in the club payin' bills to your sister  
Now once again, I go crunk off in the back  
Wit my nigga Mark Twayne and Sean Paul off in the lac

And now it's on the crack, and we actin', and cuttin' the fool  
For every Benjamin that we spend ain't nothin' cool  
So I'm a let you know, just in case you didn't know  
That them attic crew boys steppin' in just for the low  
And if you ain't wit it, then deal wit it, I gotta go  
'Cause we ain't 'bout no games, and you can take that to the store

You're just a booty club playa

(A break yourself pimp)

A hit the club, spend the dub

(Ol' sucka-ass self)

You're just a booty club playa

(A break yourself pimp)

A hit the club, spend the dub

(Ol' sucka-ass self)

You're just a booty club playa

(A break yourself pimp)
