

Places To Go

Anouk

This ainâ€™t my home anymore
My beating heart and restless mind, in one
My eyes have closed on my way back home,
To a place that no one knows
I travel light, no more starless nights
Makes me shine from head to toe

Iâ€™ve got places to go in this life
Iâ€™ve got places to go anytime

Whatâ€™s yours ainâ€™t mine anymore
But somehow the roads are travelled
It feels like home right now
My eyes have closed on my way back home,
To a place that no one knows
I travel light, no more starless nights
Makes me shine from head to toe

Iâ€™ve got places to go in this life
Iâ€™ve got places to go anytime
Iâ€™ve got places to go in this life
Iâ€™ve got places to go anytime

Ainâ€™t my home, anymore

Iâ€™ve got places to go in this life
Iâ€™ve got places to go anytime
Iâ€™ve got places to go in this life
Iâ€™ve got places to go anytime

Iâ€™ve got places to go in this life
This ainâ€™t my home anymore
