

So Crazy for Books

They Might Be Giants

I can read anything (Read books!
Yes books!)
I can read everything (Read books!
Yes books!)
I can explore (Books!)
I can learn (Books!)
I can discover (Books!)
I can name (Books!)
I can read everything (Read books!
Read books!
Yes books!
Yes books!)
I can read anything (Read books!
Read books!
Yes books!
Yes books!)
When I go to the library
Those librarians all run to me
and when I walk past the silent sign
I think fine fine fine fine fine
I am so crazy for books
This is a maze filled with books
Books are the fuel to my dreams
Which flies so fast you can't see
Then I go back to my house
Check out the books I just checked out
So many things have just begun
This is fun fun fun fun fun
I am so crazy for books
My mind's a maze filled with books
Books are the fuel to my dreams
Which flies so fast you can't see
I can read anything (Read books!
Yes books!)
I can read everything (Read books!
Yes books!)
I can explore (Books!)
I can learn (Books!)
I can discover (Books!)

I can name (Books!)
I can read everything (Read books!
Read books!
Yes books!
Yes books!)
I can read anything (Read books!
Read books!
Yes books!
Yes books!)
