# Pray (Radio Mix)

## Sanctus Real

I bow my head to pray, I don't know what to say
I'm not sure how to fix the things I'm dealing with
I'm in a desperate place, I need to share the weight
But I just don't know how, to let it all pour out
Though I'm silent, my heart is crying
'Cause I was made to come to YouSo I pray
God I need You more than words can say
Right here in this moment
You know my heart, You know my need
You know every part of me
So even if it's just to speak Your name
I'm gonna prayI failed to find the time, but You've been calling out
I let the days go by as if I could live without
But it's gotta be here now, I won't be pulled away
'Cause it's just You and I, so let the world around us fadeAs I pray
God I need You more than words can say
Right here in this moment
You know my heart, You know my need
You know every part of me
So even if it's just to speak Your name
I'm gonna pray
I'm gonna pray(Father)
Will You meet me here right now?
(Father)
I surrender, lay it down
(Father)
And every time I close my eyes
I know that I was made
To lift my hands and pray
I lift my hands and prayYou know my heart, You know my need
And every single part of me
So even if it's just to speak Your name
I'm gonna pray
I'm gonna prayYou know my heart, You know my need
You know every part of me
I bring willing words and one heart (?)
Take it as an offering
