Tuesday Heartache

Steve Perry

After the lovin'
After the evenin'
Darlin', it's so deceivin'
I knowI don't believe it
You've got the answer
Darlin', it's so disaster
I knowTuesday heartache
Love comes love goes
One day hard times
Too long agoI don't believe you
When you say darlin'
It's somethin' so alarmin'
Oh, I knowI wanna love you
You want disaster
Darling it's oh
Oh the last timeTuesday heartache
Love comes love goes
I don't show it
But someone's been told
(Tuesday)Maybe we are there
Now don't you go
(Heartache)
Tuesday heartache
Love someone boldOoh
Ooh, take your time babyTuesday heartache
Love comes love goes
Tuesday heartache
Don't go away(Tuesday heartache)
Love don't you go away
(Tuesday heartache)
Don't go away
When someone's deceivin' they fallHeartache
It's alright, alright
HeartacheAfter the lovin'
After the evenin'
When someone's deceivin' they fall
When someone's deceivin' they fall
No no no no
Someone's deceivin'

Someone, someone, someone they fall
