Forever Here

Inspiral Carpets

Heavy weigh the pressure that can pin me to the ground
Noises bounce around your head, now without no sound
Walk away forever not knowing what's to come
Leave behind the ones you love, feelings on the runI'm here forever, I'm here to stay
Nobody ever get in my way
I'm staying around now, won't go away
I'm here forever, I'm here to stayLost within the shadows, daily tryna fly
Hidden away from those who once made you feel someone
Never thought the day would come you'd get a second chance
Grab a hold of a rope and look up to the sun
I'm here forever, I'm here to stayNobody ever get in my way
I'm staying around now, won't go away
I'm here forever, I'm here to stayStepping in the spotlight, thinking what's to come
Time to make the most of all the things you missed at all
Happier the point now, no words can strike you down
Now I'll be forever here, this time here to stay
I'm here forever, I'm here to stay
Nobody ever get in my way
I'm staying around now, won't go away
I'm here forever, I'm here to stay
