## **Cross Bones Style**

## **Liam Singer**

Oh, how time flies With crystal clear eyes And cold as coal When you're ending with diamond eyesOh, come child In a crossbones style Oh, come child Come and rescue me 'Cause you have seen some Unbelievable thingsHater, I have your diamonds and still 'Cause you have seen some Unbelievable things Hater, I have your diamondsOh, come child In a crossbones style Oh, come child Come rescue me 'Cause you have seen some Unbelievable thingsHater, I have your diamonds and still So stillOh, how time flies With crystal clear eyes And cold as coal When you're ending with diamond eyesOh, come child In a crossbones style Oh, come child Come and rescue me 'Cause you have seen some Unbelievable things
