

Pea

Codeine

I'm a little pea
I love the sky and the trees
I'm a teeny tiny little ant
Checkin' out this and that And I am nothing
So you have nothing to hide
And I'm a pacifist So I can fuck your shit up
Oh yeah, I'm small
Oh yeah, I'm small Fuck you, asshole
You homophobic redneck dick
Big and tough and macho You can kick my ass
So fucking what? So fucking what?
So fucking what? So fucking what?
