

Building a Beginning

Jamie Lidell

I remember
Thinking I didn't have the answer
So I move with the moment
And start over, falling Building a beginning
Building a beginning
Building a beginning (ooh)
Building a beginning, with you (ooh yeah) Oh I, can, deliver
Without moving, to surrender
And I, can, make up my mind
To carry on
To carry on (ooh) Building a beginning
Building a beginning, with you
Building a beginning (ooh woah)
Building a beginning, with you (with you) Every morning is a mountain (oh woah)
My dreams just over, over the horizon
I can feel the light in me
And I know, yeah I know
I have ,the energy
(Yeah) to be Building a beginning (oh woah)
Building a beginning, with you
Building a beginning
Building a beginning, with you
(You know I choose) to be building a beginning, baby with you
Building a beginning, with you
With you now now now, cos it feels so right Yeah, it feels so right
Oh I wanna be building
Building a begging with you
