Learned to Surf (Acoustic Demo)

Superchunk

If I seem out of it
I've just gone to find you, Ill be back in a bit
Circles close up but(?) circles are wide
We'll be wearing wigs and costumes, won't need any hole to hideWhen I learned to walk, you know humans roamed the earth
I can't hold my breath anymore, I stopped sinking and learned to surf
When I learned to talk, I found words that weren't worth dirt
I can't hold my breath anymore, I stopped swimming and learned to surfIf I drift out in channels way too deep
Its cause I can't stand the shifting sand and shells under our feet
Put your suitcase down, and leave your shoes
Gently by the door, in a puddle with your bluesWhen I learned to walk, you know humans roamed the earth
I can't hold my breath anymore, I stopped sinking and learned to surf
When I learned to talk, I found words that weren't worth dirt
I can't hold my breath anymore, I stopped swimming and learned to surfWhen I learned to walk you know humans roamed the earth
I can't hold my breath anymore, I stopped swimming and learned to surf
When I learned to talk, I found words that weren't worth dirt
Heavy like the rocks we carry, I stopped sinking and learned to surfI stopped swimming and learned to surf
Stopped swimming, learned to surf
I learned to surf
I learned to surf
