Sorcery

(Kataklysm Part 2)
(Acknowledgment....The Unsealed Gate)
The time has come....
I....I invoke the powers.....
To stand onto the EARTH....
Needs of an ally, to join the force....
I demand the dignity divine....
May I receive! The shields of all TIME...
Beside....he will travel....
Bringer of Order!
He will shake the earth....By his chant....
Purest warrior...shall rise...THE MYSTICAL...
Godly...he shall be fierce!
His breath will be part of the CATACLYSM...
Kindness over all...
Same age as his guider!
Translator of beyond in his WORD...
Apprentice of life!
Knows to respect me...Me...MY MAGIC...
I am thankful for the gift...
...You'll be proud!
I will assure this....I PROMISE...
May my wrath be fruitful...
WISE! REMAIN HIDDEN...
Men storm with ME...
Human follow this WAR...
Beyond the CATACLYSM
THE REBIRTH VORTEX OF CREATION
(TRILOGY)
