

Strangers In The Night

Barry Manilow

Strangers in the night exchanging glances
Wondering in the night what were the chances
We'd be sharing love before the night was through
Something in your eyes was so inviting
Something in your smile was so exciting
Something in my heart told me I must have you
Strangers in the night, two lonely people
We were strangers in the night
Up to the moment when we said our first hello
Little did we know
Love was just a glance away
A warm embracing dance away and
Ever since that night we've been together
Lovers at first sight, in love forever
It turned out so right for strangers in the night
Love was just a glance away
A warm embracing dance away and
Ever since that night we've been together
Lovers at first sight, in love forever
It turned out so right for strangers in the night
For strangers in the night
For strangers in the night
