

Sadness Is A Blessing (D/R/U/G/S Remix)

[Lykke Li](#)

My wounded rhymes make silent cries tonight
My wounded rhymes make silent cries tonight
And I'll keep it like a burning
Longing from a distance I ranted, I pleaded, I beg him not to go
For sorrow, the only lover I've ever known Sadness is a blessing
Sadness is a pearl
Sadness is my boyfriend
Oh sadness, I'm your girl These scars of mine make wounded rhymes tonight
I dream of times when you were mine so I
Can keep it like a haunting
Heart beating close to mine Sadness is a blessing
Sadness is a pearl
Sadness is my boyfriend
Oh sadness, I'm your girl I ranted, I pleaded, I beg him not to go
For sorrow, the only lover I've ever known
Every night I rant, I plead, I beg him not to go
Will sorrow be the only lover I can call my own? Sadness is a blessing
Sadness is a pearl
Sadness is my boyfriend
Oh sadness, I'm your girl Sadness is a blessing
Sadness is a pearl
Sadness is my boyfriend
Oh sadness, I'm your girl Sadness is my boyfriend
Oh sadness, I'm your girl
Oh sadness, I'm your girl
Oh sadness, I'm your girl
