

# Time Will Tell (feat. Osbay)

## Sharif Blaq soul

Verse Yeah the time will tell,  
yeah the time will tell.

And nothing is above ya, girl I love you.  
We don't know how long.

But my love to you is amazing strong. Pre - Chorus The time is running down,  
the time is running down.

We gonna' live everyday like it's our last  
and we forget about the bad things in the past.

Maybe is this is our last, our last Hook Is there a you and me?  
Time will tell.

Cause' you are all I need.  
Time will tell.

I love you and you me.

Time will tell, time will tell tell tell tell Verse 2 The time will tell our desitiny  
girl you keep me low cause' you're my gravity.

I just wann be with you there is no place I'd rather be  
so don't give me up and stay with me Pre - Chorus The time is running down,  
the time is running down.

We gonna' live everyday like it's our last  
and we forget about the bad things in the past.

Maybe is this is our last, our last Hook Is there a you and me?  
Time will tell.

Cause' you are all I need.  
Time will tell.

I love you and you me.

Time will tell, time will tell tell tell tell Osbay Verse Your satisfaction gotta be my obligation.

You got me blinded blinded by your skin reflection

You portray perfection in high definition

Standing ovation for your mama she had no abortion

Love the way you strike that pose

When you touch your toes

Makes me wanna make your body shake like you got indisposed

Speak in different tongues pass you the holy ghost

Caressing and flexing and sexing turning friends to foes

Other girls wanna blow klitscko

No no way Oslo

Girl your love, love, love, love knocks me down Yeah Keri Neyo.

Vacay in texas, bacons  
and eggs for breakfast

Undress u in a duplex  
Coz girl you priceless  
Me you monogamous  
Future bright no nostradamus  
If dem haters talk behind us  
They can kiss the anus  
OSSB check spanking some asses with cheques  
We definitely gonna excel  
Time will tell.
