Go Hard

Jay Emcee

Bridge

Max out stuck in 5th gear make themm go crazy
iconic Like Larry Hoover
little mama no faking
I make winning look easy haters call me Tom Brady
what up evenstar management come shake it little lady

Verse 1

what kind of Leverage you got to back your demands and obligations. All that lip service got old quick so please flip the station. People want me out the game they say that while they're smoking meth.
All my yogos and my hecklers see me when I got them stressed.
I see the glass half full so I consider me blessed
because people I used to know that was flagrant starting to see them less and less
the other half screaming go hard jay don't quit
A quarter million people behind me like I am the lord of the Sith
I'm maxing out
if I got 50 Grand I'mma spend it
every dollar for every maryter the other swore I wasn't getting it.
and I'm going to get it
cause this is my business
and you know I'm about my business grown ADHD kid them people
Them people know that I ain't quittin
come on
took a whole lot of ethanol to move me
no premium nothing
go from 0 to Lambo in half a wink
get done and have a week what you rappers doing 8 months
I let my Visa speak
therefore I really aint gotta to say much but this baby

Hook

come and get live with me
come and get lit with me
mama get live with me
come and get lit with me
go hard go hard go hard go hard you know I go hard go hard go hard go hard you know I
What do you know

Imma show you how to party
Baby go make it jump
Imma get loose get stuck

Bridge 2

Other rappers cant stand me but they give me respect
You know i come thru go burn thr disco tech
Nobody does it this good you'll just be killing yourself
She know i got the style fresh out the s t l

Verse 2

All my nights are a blur
I been up a whole week
All my new shits a killer make these rappers yell retreat
Producers act like Mario 2
By the 2's throwing me beats
Haters had a 1 up on me but a loss aint for me
Threw a hail mary caught gravy need it super sized
Who is you
Another fake account somebody boo this guy
On my pac shit
I been dead to you small frys
But mother fuckers that congratulated know im still alive
At times thats how it is at times
Wasn't trying to hurt your pride but im alive and well smiling
This is winning
Winning
Winning I'm
Actually i been chosen
Why fight what youbcsnt win against
Im a AWESOME individual just speaking from experience
Woo
Penetrated the game hard as a brick she like woo
Itchy itchy i o my Mercedes like woo
Stevie wonder see me getting money
Everything new
Cutting deal after deal my nigga what it do

Hook

come and get live with me
come and get lit with me
mama get live with me

come and get lit with me
go hard go hard go hard go hard you know I go hard go hard go hard go hard you know I
What do you know
Imma show you how to party
Baby go make it jump
Imma get loose get stuck
