African queen

2 Face

Yeah, yeah, you are my african queen, oooh lord, oooh lord
Just like the sun, light up the earth, you light up my life
The only one, I've ever seen with a smile so bright
And just yesterday, you came around my way
And changed my whole scenery with your astonishing beauty
Oh, you coulda make a brother sin, no ordinary thing
A supernatural being, and ooh... you brighter than the moon
Brighter than the star, i love u just the way you are.
CHORUS
And you are my African Queen, the girl of my dreams.
You take me where i've never been
You make my heart go ding-a-ling-a-ling, oh ahh
You are my African Queen, the girl of my dreams
And you remind me of a thing
And that is the African beauty yahhh
VERSE II

Now everyday I want you more o o oo
How can I deny this feeling am feeling inside ey
Oh no one can never take ur place
Can never take your space

And you, you are the one dat makes me smile

Make me float like a boat upon the Nile.

And I know that this means that you're the only one that I will serve

Who could think of anything better than you
Who could think of ever hurting you
Sacrifice my whole life, I'll give it all to you
Cause you are my African Queen
