

# Spider's Web

## Plantae

If a black man is racist, is it okay  
If it's the white man's racism that made him that way  
Because the bully's the victim they say  
By some sense they're all the same 'Cause the line between wrong and right  
Is the width of a thread from a spider's web  
The piano keys are black and white  
But they sound like a million colors in your mind I could tell you to go to war  
Or I could march for peace and fighting no more  
How do I know which is right  
And I hope he does when he sends you to fight 'Cause the line between wrong and right  
Is the width of a thread from a spider's web  
The piano keys are black and white  
But they sound like a million colors in your mind Should we act on a play  
Or should we chase the moments away  
Should we live, should we give  
Remember forever the guns and the feathers in time 'Cause the line between wrong and right  
Is the width of a thread from a spider's web  
The piano keys are black and white  
But they sound like a million colors in your mind The piano keys are black and white  
But they sound like a million colors in your mind
