

Take Me Out On a Stretcher

Danko Jones

Long road
is the only route that I know
Black soul
Goes darker each day as I go Push me and pull
and drag me to the ground
to take me out on a stretcher Long road
is the only route that I know
Black soul
Goes darker each day as I go Push me and pull
and drag me to the ground
so take me out on a stretcher
Take me out on a stretcher
Take me out on a stretcher
Take me out on a stretcher Yeah!
Yeah!
Yeah!

Wow! Come on, come on, do it now! Come on come on, come on do it now! Come on come on, come on do it
now! I'm losin' it
I'm losin' it
I'm losin' it
Take me out on a stretcher
Take me out on a stretcher
Take me out on a stretcher
Take me out on a stretcher Yeah!
Oh Yeah!
Yeah!
Yeah!
Take me out on a stretcher
