## The Sofa Explosion

Soooo, you know, people be like  
 "What can you put the fuckin' tape out Wale, you're lazy" and this that that  
 I been to 70 cities in like 5 days man so like we we can traveled we went everywhere went to Istanbul  
 Fuckin, you know what I'm sayin? So it took a long time to put the tape out  
 But uh you know you know 9th was calling me and shit like you know you know  
 "Wale you got a hurry up with this fuckin tape man, the freshman class nigga  
 Everybodys puttin shit out, you ain't puttin shit out" I'm like dog  
 Ya know I'm in Turkey tryna ya know tryna preserve Hip-Hop  
 Wale, Spitta, 9th Wonder, Class is in session  
 All them niggas pitch verbs, so they say  
 My weaponry is words, Doe-Ray-Me  
 The wars in the form of po-et-ry  
 So it's straight C4 from the thoughts I bring, Bang  
 Epiphany, them niggas is gimmicks to me  
 I can't eradicate a village if you hear me and be  
 Huh, I'm that bomb when that hand right  
 Play me for a stepping stone then, I land mine  
 Now walk to it with your land mind  
 I can make the clouds jealous nigga I am that fly

Listen to the words I'm a wizard with it, wittier than any nigga,  
sicker then a Wino kidney liver  
Ya'll riddles don't tickle a bit, ya'll similes is literal shit  
No I'm the metaphor of that, my rhetoric inedible  
This extriment means excellent rap  
, I make a lesser adapt  
Woouooooooooorrrrrrrrddddddddd Play  
Park my plane right there, Leave the key's with that bitch, Jets  
Spitta flip syllables for residuals  
Majors misbehavin I'm a have to take it digital  
Livin underground like a godfather buried alive  
I ride by bumpin Shine I do just that  
Nigga ain't nothin sweet like a kool-aid pack  
Bitches roll sweets as I lay back in the sweet  
Developin cavities cause revenge is sweet  
Everytime I rap I unwrap another piece  
An eighth of grape ape hella joints to the head got my eyes all varsity red  
Sunroof flow so over your head, SB horror pack monsters under my bed  
Woouooooooooorrrrrrrrddddddddd Play

Wooooooooooooorrrrrrrrddddddddd Play
