

# Tired of Running

Rob Simonsen

Im sittin on my porch watchin the law  
As they ride past in they patrol cars  
So tell me why I feel like the enemy  
Theyre supposed to be here protectin me  
I might have went too far  
Helpin to contribute to makin their job hard  
Servin fiends like these people aint no kin to me  
I cant believe Im out here killin my community  
If you knew how far I came (far I came)  
From where I am and where I used to be (where I used to be)  
I dont want it, you can tell by the look at me  
This gangsta life aint no longer in me(Hook)  
And Im tired of the runnin, tired of the runnin  
Tired of the runnin, runnin from the law  
Baby you gotta believe me  
Said Im tired of the runnin, tired of the runnin  
Tired of the runnin, runnin from the law  
Baby ya gotta believe meI know theres things I couldve changed girl  
I know theres things I couldve done a lot better  
Instead Im in the streets tryin to make that cheddar  
Thinkin in my mind that you gon be there forever  
I know I couldve let it all go (let it all go)  
But I was thinkin it would make life better (make life better)  
Instead Im sittin in this cell writin this letter  
Thought I wouldnt get caught cause I was way too clever  
I learned theres no one to catch ya when ya fallin  
And theyll be no one to hear you when youre callin  
Do you know what its like to wake up in the mornin  
While youre starvin youre hearin bugs crawlin  
Reminiscin on them days you was walkin  
With pretty women on your arm while youre flossin  
Thankful that I didnt end up in a coffin  
Somethin we see too often(Hook)(Bridge)  
Said Im tired  
Said Im tired  
I said Im tired  
So tired, yeah(Hook)
