

24/7

3T

You need a man that satisfies
Someone that cares for you
Someone to hold all through the night
Make your dreams come true You need a man to treat you right
And knows just what to do
Don't look too hard or else you pass him by
Break his heart in two
Don't you know? Pretty baby you drive me crazy
Fallin' for your love
It feels so good when I'm with you
Just being friends is not enough I say could one day maybe
You be my lady, together we be one
I thought you would realize
That I'm saving all my love Twenty-four seven, I'll be right here waiting for you
Can't get you off my mind
Thinkin' 'bout lovin' you, kissin' and huggin' you
Can't get you off my mind Twenty-four seven, I'll be right here waiting for you
Can't get you off my mind
Thinkin' 'bout lovin' you, kissin' and huggin' you
Can't get you off my mind So take my hand girl don't be shy
I promise I'll be true
From now on it's you and I
We share a love that's new Hold me, love me
Never let me go
Anything girl I sacrifice
That's to be with you
Don't you know? Pretty baby you drive me crazy
Fallin' for your love
It feels so good when I'm with you
Just being friends is not enough I say could one day maybe
You be my lady, together we be one
One day girl you realize
That I'm saving all my love Twenty-four seven, I'll be right here waiting for you
Can't get you off my mind
Thinkin' 'bout lovin' you, kissin' and huggin' you
Can't get you off my mind
