Silent Valentine

Will Young

I knew I'd run into you, I had that feeling
There's a light in the room as you appear
I'm in your shadow againIt's clear already, I will never be good for you
So I must keep quiet, never giving up all the truth
Of what I'm feelingYou'll always be my silent valentine
You'll always be my silent valentinePeople comment around us
On what a pair we'd make
It's been three years or maybe more
Feels like a day, still you make my heart acheMy words are frozen
All this hurt runs down to my fears
Walking away is the hardest thing to do, but I must leave
It's what I'm feelingYou'll always be my silent valentine
You'll always be my silent valentineYou'll always be my silent valentine
You'll always be my silent valentine
