The Gentle Healer

Scott Michael Bennett

The Gentle Healer
The gentle healer came into our town today
He touched my eyes and the Darkness left to stay
But more than the blindness
He took their sins away
The gentle healer came into our town today

The gentle healer came into our town today
He spoke one word that was all he had to say
And one who had dies just rose up straight away
The gentle healer came into our town today

Oh he seems like just an ordinary man
With dirty feet and rough but gentle hands
But the words he says are hard to understand
Yet he seems like just an ordinary man

The gentle healer He left our town today
I just looked around and found he'd gone away
Some folks from town who followed him they

The gentle healer is the truth, the life, the way
The gentle healer it the truth, the life, the way
