Full Time Believer

Robin Thicke

She's the girl you see

Walking down the street

Holding her head high

Unstoppable

She's confident

Got a laser eye

Swinging to her own beat

and an A+ smile

She's a winner

Ooo

She is where it's at

She's as loud as an owl

She can stop the whole crowd

She is Heaven lent

'Cause I know they want her backShe's a full time believer

She wakes up early everyday

Yeah 'cause she's a

Full time believer

and she can care less what you say

Yeah 'cause she's a

Full time believer

Don't you get in her wayShe combs her hair

With her diamond eyes

Staring at herself

'Cause she looks so fly

She can't help but show it

She's got that glow

And you know it, and I know it, and they know it

She's the rarest flower

An astrological find

and when she stretches on by

She blows my mind

She don't need nobody

I only wish she was

All mine...She's a full time believer

She wakes up early everyday

Yeah 'cause she's a

Full time believer

and she can care less what you say

Yeah 'cause she's a Full time believer Everyday...
