

We All Feel Better In the Dark

Pet Shop Boys

(The secrets of sexual attraction)(Get down, get down, get down, get down)The music's pumping through me, I
rush into the crowd

The sweat is pouring off me, the beat is dead loud

I want someone to love me, and I know I want it now

These feelings that I'm feeling must be satisfied somehowI want it, I want it, you know I really want it

I want it, I want it, you know I really want it

I want it, I want it, you know I really want itWe all feel better in the dark

We all feel better in the dark

(Get down, get down, get down, get down)My body surges with energy, shivers down my spine

I look deep into your eyes, and I know that you'll be mine(Pump that beat up, pump that beat)

(Pump that beat up, pump that beat)

(Pump that beat up, pump that beat)We all feel better in the dark

(Get down get down get down get down)

We all feel better in the dark

(Get down get down get down get down)The music's pumping through me, I rush into the crowd

The sweat is pouring off me, the beat is dead loud

I want someone to love me, and I know I want it now

These feelings that I'm feeling must be satisfied somehowYou want it, you want it, you know you really want it

You want it, you want it, you know you really want it

I want it, I want it, you know I really want itWe all feel better in the dark

(Get down get down get down get down)

We all feel better in the dark

We all feel better in the dark
