

# Recovery

## New Buffalo

Recovery Time for beer  
Checkered cheer  
Now you're here  
I can see so clearly  
No more question marks  
Sympathy cards  
It's in the stars  
Troubled times are clearing Now it's recovery  
Looks like it's gonna be  
Okay  
It's a new day  
Recovery  
Looks like it's gonna be  
Okay  
It's a new day I was wrong  
You were right  
Gotta stop  
Feeling like it's never ending  
We could go  
Check out the show  
Happiness  
It's the sound of how you're feeling Recovery  
Looks like it's gonna be  
Okay  
It's a new day  
Recovery  
Looks like it's gonna be  
Okay  
It's a new day Look into my eyes  
And you will see what you want to find  
You can paint the picture of your fever  
Just to get it off your mind It's a new day  
It's a new day  
It's a new day  
It's a new day Recovery (It's a new day)  
Looks like it's gonna be (It's a new day)  
Okay (It's a new day)  
It's a new day (It's a new day)  
Recovery (It's a new day)

Looks like it's gonna be (It's a new day)

Okay (It's a new day)

It's a new day (It's a new day)
