

Say Amen

Howard Hewett

It's time to say goodbye for now
We'll have our second time around
But before we go
There's something I'd like to say Every thing's not what it seems
There's a stronger force behind the scenes
He's in our lives every day
He's right there when we call In Him is where my strength lies
I lift my eyes beyond the skies
Only He can save my life
And only He can hear my cry I wanna thank You, God
For giving me one more chance
To raise my voice and to sing Your praise
I sing it out loud, I sing it all day This song is my prayer
I give to only You
I know it can't compare to the gift from You
You gave me Your love, You gave me your Son
Oh, yes You did, oh oh oh... I know there's some who don't believe
Some times it's very hard to see
In this old life every day
Some things don't go your way But to be without is not His will
There's cattle on a thousand hills
And all yours to claim
Just claim them in His holy name See, you don't have to beg or crawl, no
He can see you standing proud and tall
He'll give His everlasting love
Just come to Him as you are I wanna thank You, God
For giving me one more chance
To raise my voice and to sing Your praise
I sing it out loud, oh, I sing it all day This song is my prayer
I give to only You
I know it can't compare to the gift from You, oh
You gave us Your love, You gave us your Son I wanna thank You, God
For giving me one more chance
To raise my voice and to sing Your praise
I sing it out loud, oh, I sing it all day This song is my prayer
I give to only You
It can't compare to the gift from You
You gave us Your love, You gave us Your son Now I say Amen
God, our Father, Father

I say Amen, I say Amen
