

# 8th World Wonder (Hi-Bias Extended Club Mix)

**Kimberley Locke**

Woke up early this morning  
Made my coffee like I always do  
Then it hit me from no where  
Everything I feel about me and youThe way you kiss me crazy  
Baby, you're so amazingSeven days and seven nights of thunder  
The water's rising and I'm slipping under  
I think I fell in love with the 8th world wonderI guess that I'm just falling  
Deeper into something I've never known  
But the way that I'm feeling  
Makes me realize that it can't be wrongYour love's like a summer rain  
Washing my doubts awaySeven days and seven nights of thunder  
The water's rising and I'm slipping under  
I think I fell in love with the 8th world wonderIt's only been a week  
But it's coming over me  
It's making me believe  
That you're the one for meSeven days and seven nights of thunder  
The water's rising and I'm slipping under  
I think I fell in love with the 8th world wonderSeven days and seven nights of thunder  
The water's rising and I'm slipping under  
I think I fell in love with the 8th world wonderSeven days and seven nights of thunder  
The water's rising and I'm slipping under  
I think I fell in love with the 8th world wonderSeven days and seven nights of thunder  
The water's rising and I'm  
I think I fell in love with the 8th world wonder
