

No Games (Radio Edit)

Serani

Oh, girl I love you
Oh, ah oh
It's it's it's Serani
Just in case you never know
Just in case you never know oh oh
Ah oh Love you girl
Do you feel the same
I doh wanna play, games
No games, ohhh
You're the only that can out my flame
Baby just play it straight straight
No games, ohhh We've been together six months now (the most perfect days)
You pushed for us to exchange vows (baby changed my ways)
I gave my life over to you
And you turned around
After all that we've been through
I was your rebound Girl I want you (all time)
I'll forever love you (you're mine)
I'm not mad even though I'm sad (cause you)
Should give me one more chance Love you girl
Do you feel the same
I doh wanna play, games
No games, ohhh
You're the only that can out my flame
Baby just play it straight straight
No games, ohhh Is this the life you really want (constant delusion)
Your time with me was very fun (there's no illusion)
But I don't know you anymore
When you walked outside that door
You left your rep yea Girl I want you (all time)
I'll forever love you (you're mine)
I'm not mad even though I'm sad (cause you)
Should give me one more chance Love you girl
Do you feel the same
I doh wanna play, games
No games, ohhh
You're the only that can out my flame
Baby just play it straight straight
No games, ohhh Cause you're my one and only

I'm still here feeling lonely
Feel it wasted
Yea yea uh ah
You're my sunshine I need you back
One more time, time Love you girl
Do you feel the same
I don't wanna play games
No games oh
You're the only one that can out my flame
Baby just play it straight straight
No games ohh
