Open my heart

Nirina Dee

Talk to me
Talk to me
Alone in a room, it's just me and You
I feel so lost 'cause I don't know what to do
Now what if I choose the wrong thing to do
I'm so afraid, afraid of disappointing You
So I need to talk to You and ask You for Your guidance
Especially today when my life is so cloudy
Guide me until I'm sure
I open up my heart, oh, yeah
My hopes and dreams are fading fast
I'm all burned out and I don't think my strengths gonna last
So I'm crying out, crying out to You
Lord, I know that You're the only one who is able to pull me through
So I know I need to talk to You and ask You for your guidance
Especially today, when my world seems so cloudy
Lord, guide me until I'm sure
I open up my heart, oh, yeah, yes I do
So show me how to do things Your way

Don't let me make the same mistakes over and over again
Your will be done and I'll be the one to make sure that it's carried out
And in me, I don't want any doubt, that's why
I want to talk to You [Incomprehensible] and ask You for Your guidance
Especially today, when my world seems just a little bit cloudy
Lord, You guide me through that's why I open up
I open up my heart, my heart, my heart, my heart
All I need to do is just hear a single word from You
I open, I open, open up my heart
Just one word could make a difference in what I do
Lord, guide me until I'm sure
I open, I open, I open, I open my heart
You just say one word, one word, one word, one word, one word
I open up, I open up, open up my heart to You, to You
You're the lover of my soul
Captain of my sea
I need a word from You
That's why I open up my heart
