

# Piece of Me

## Rev Theory

Starting to lose my patience  
My vision's turning redHail to the coma call  
(They all have fallen)  
So here we goHey man you wanna piece of me  
Step up now I'm ready to make you bleed  
Hey man you wanna piece of me  
Step up now I'm ready to make you pay  
You wanna piece of meHand in your resignation  
Your world is turning blackHail to the coma call  
(They all have fallen)  
So here we goHey man you wanna piece of me  
Step up now I'm ready to make you bleed  
Hey man you wanna piece of me  
Step up now I'm ready to make you payYou wanna piece of me  
You wanna piece of meCan't stop the blood  
I will make you pay  
Hey man you wanna piece of me  
Step up now I'm ready to make you...  
Hey man you wanna piece of me  
Step up now I'm ready to make you bleed  
Hey man you wanna piece of me  
Step up now I'm ready to make you payYou wanna piece of me  
You wanna piece of me
