A Man Who Isn't Me

Nick Roes

A Man Who Isnâ€™t Me

See me come

See me go

Make up your mind

But you donâ€™t know

And so the only thing you see

Is a man who isnâ€™t me

I get up

I work the day

I donâ€™t know any

Other way

But still the only thing you see

Is a man who isnâ€™t me

I hope this passes

In a while

I hurt inside

But keep a smile

And so the only thing you see

Is a man who isnâ€™t me

And so the only one you see

Is a man who isnâ€™t me
