

# Virgin Blood Spiller

## Barathrum

red is the colour of virgin blood so pure  
for this mind's fire there's only one sure cure  
thirst for maid's liquid of life  
can be stopped by following act  
take your sharpest dagger or knife  
open her veins to drink her blood  
take your sharpest dagger or knife  
open her veins to drink her blood to help your thirst;  
virgin will be slain  
spill her blood  
make her suffer, slay, stab, impale and kill  
execute your deepest will  
slay, stab, impale and kill  
kill, kill, kill, kill virgin blood spiller  
the most evil sinner  
virgin blood spiller  
slayer by my own nature, slay, stab, impale and kill  
execute your deepest will  
slay, stab, impale and kill  
kill, kill, kill, kill ritualistic slaughter  
cutting her veins, making to bleed  
slaying an innocent daughter  
kill her to drink before it's too late, slay, stab, impale and kill  
execute your deepest will  
slay, stab, impale and kill  
kill, kill, kill, kill virgin blood spiller  
the most evil sinner  
virgin blood spiller  
slayer by my own nature, slay, stab, impale and kill  
execute your deepest will  
slay, stab, impale and kill  
kill, kill, kill, kill, kill!
