

# Never Say Never (feat. Sean Hayz)

## Los

I feel like I'm running in place  
The world goes by  
I watch it slowly drift away  
One more time

And I am stuck here with the sameSame old questions, same old lies

It makes no difference

What I feel inside

I don't wonder, 'cause I don't care

I feel I'm broken beyond repairMust be nice to just forget

Sever ties

I'd watch them all just drift away

No goodbyes

And I'm not living with the sameSame old questions, same old lies

It makes no difference what I feel inside

I don't wonder, 'cause I don't care

I feel I'm broken, beyond repairCan I just get this, can I just get this rightSame old questions, same old lies

It makes no difference what I feel inside.

I don't wonder, 'cause I don't care.

I feel I'm broken, beyond repairWill I be OK?
