I've Already Loved You In My Mind

Conway Twitty

I thought I've never seen a girl like her in here before
And I could see her watching me as I walk across the floor
I asked her if she'd like to dance when the band starts up again
She said, "I never danced with strangers, I don't even know your name"I said, "We're not exactly strangers, you and I
My thoughts were running wild and free as I watched you tonight
Just think about it and you'll find
We're not exactly strangers, I've already loved you in my mind"The band started playing a slow moving song
She got up and easily moved into my arms
I kept on saying the things a girl likes to hear
And when the dance was over she whispered in my earShe said, "We're not exactly strangers, you and I
My thoughts were running wild and free while you held me tight
I thought about it and I find
We're not exactly strangers, I've already loved you in my mind"
