

Wild Nights, Hot & Crazy Days

Judas Priest

I'm gonna break-out
I'm gonna drive my car
I'm gonna get up and go
I want some action
I've been working so hard
I'm gonna over load Can you feel the beat?
Everybody's rockin' in the summer heat
As the sun goes down
Well, deep down inside
You feel your temperature rise For those wild nights
Hot and crazy days
Wild nights
Hot and crazy days I'm feeling good tonight
I'm gonna cruise around
Makin' every head turn
Wind up the radio
I'm in the mood for some lovin'
'Cause the night time's comin' Can you feel the beat?
Everybody's rockin' in the summer heat
As the sun goes down
Well, deep down inside
You feel your temperature rise For those wild nights
Hot and crazy days
Wild nights
Hot and crazy days Come on, gettin' hot tonight
Come on, that's right
Come on, there's no end in sight
Come on, alright I'm gonna break-out
I'm gonna drive my car
I'm gonna get up and go
I want some action
I've been working so hard
I'm gonna over load Can you feel the beat?
Everybody's rockin' in the summer heat
As the sun goes down
Well, deep down inside
You feel your temperature rise For those wild nights
Hot and crazy days
Wild nights

Hot and crazy daysWild nights
Hot and crazy days
Wild nights
Hot and crazy daysWild nights
Hot and crazy days
Wild nights
Hot and crazy daysWild nights
Hot and crazy days
Wild nights
Hot and crazy days
