Can You Feel the Beat

Lisa Lisa & Cult Jam

We sweep across nations like a storm
a force to reckon with was born

We came and conquered what you thought safe
We seek to rule and to enslave

We're setting clubs ablaze
From Moscow to LA
Vienna, London, Antwerp
From Russia to the U.S.A.

There will be no surrender
There will be no retreat
nothing can stop us now

Can you feel the beat ?
Can you feel the beat ?
of pounding hearts and marching feet
Can you feel the beat ?

Our numbers grow stronger every day
We are a force that's here to stay
We're making people stomp
from Athens to Berlin
Rome, Madrid and Mexico
From Dada X to Second Skin

There will be no surrender
There will be no retreat
nothing can stop us now

Can you feel the beat ?
Can you feel the beat ?
of pounding hearts and marching feet?

Can you feel the beat ?
Can you feel the beat?
No surrender - no retreat
